Summary

Passionate Web Developer with hands-on experience in front-end and back-end development. Skilled in HTML, CSS, JavaScript, Vue.js, Bootstrap, PHP, MySQL, and Laravel. Focused on building clean, efficient, and responsive web applications, collaborating in team environments, continuously improving my skills, and delivering high-performance solutions.

Technical Skills :

- **Frontend:** HTML5, CSS3, Bootstrap, JavaScript, jQuery, Vue.js
- **Backend:** PHP, Laravel, RESTful API Development
- **Database:** MySQL (design, queries)
- **Tools:** Git, GitHub, Composer, Postman, VS Code
- **Others:** MVC Architecture, Blade Templating, Responsive Design

Professional Experience

Laravel Developer, (DK Info Solution Pvt. Ltd)

Lucknow, India

- Developed and maintained web applications using **Laravel framework**, focusing on clean, efficient, and scalable code.
- Implemented CRUD operations, database design using **MySQL**.
- Created user-friendly and responsive UI using HTML, CSS, JavaScript, jQuery, and Bootstrap.
- Worked with Blade templating for front-end rendering.
- Participated in debugging and resolving backend issues.
- Collaborated with senior developers to implement CRUD operations.

Projects

Laravel 11 & Vue.js CRUD with Pagination

- Built a full-stack CRUD app using Laravel 11 and Vue.js 3 with RESTful APIs.
- Implemented pagination, form validation, and secure image upload.
- Created reusable Vue components and ensured a responsive, user-friendly UI.

School Data Management : A solution that helps manage school-related data and operations efficiently

- A school solution project focused on managing data using PHP and Bootstrap.
- Implemented data import and export processes.

Warehouse Management System (WMS) : WMS software to track inventory, manage orders.

- Used reports from WMS to suggest ways to make warehouse tasks faster and easier.
- This project gave me practical exposure to how technology solves real-life logistics challenges and helped improve my problem-solving and communication skills.

Education

- PHP Web Development & Laravel Application Development Training
Micron Infotech, Gorakhpur.
- Bachelor of Arts (B.A) - **St. Andrew's P.g College, Gorakhpur.**
